

Age

May refer to:

Ageing, the effect of time on a person.

see [Chronological age](#).

see [Advanced age](#), [Young adult](#)...

[Brain age](#)

[Gestational age](#)

Age is a leading predictor of poor [outcomes](#) after [brain injury](#) like [stroke](#). The extent to which age is associated with preexisting burdens of brain changes, visible on [neuroimaging](#) but rarely considered in acute [decision-making](#) or trials, is unknown.
