

Anterior skull base meningioma classification

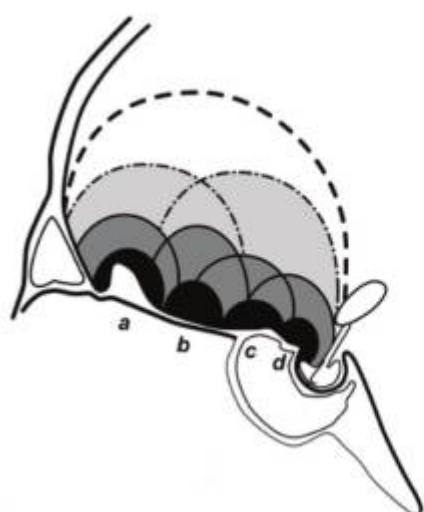

Sphenoid wing meningioma are one half.

Frontobasal meningiomas, are the other one half.

Midline anterior skull base meningiomas include olfactory groove meningiomas (OGMs), Tuberculum Sellae meningiomas (TSMs), and planum sphenoidale meningiomas (PSMs).

Meningiomas of the anterior cranial fossa represent 12%–20% of all intracranial meningiomas.

Mohr classification

TYPE IV : FOUR Segments
or Size > 6 cm "GIANT"

TYPE III : THREE Segments
or Size 4 - 5.9 cm "Large"

TYPE II : TWO Segments
or Size 2 - 3.9 cm "Moderate"

TYPE I : ONE Segment
or Size < 2 cm "Small"
