

Arquivos de neuro-psiquiatria

Arquivos de Neuro-Psiquiatria is the official journal of the Brazilian Academy of Neurology (ABN) since 1970. It publishes its consensus and guidelines on neurology, educational and scientific material from its different departments and also guidance of interest to neurologists' professional activities. Arquivos de Neuro-Psiquiatria publishes one volume per year, consisting of twelve monthly issues, from January to December, in two versions:

Arq Neuropsiquiatr - ISSN 1678-4227 (online version) Arq Neuropsiquiatr - ISSN 0004-282-X (printed version) The abbreviated title of the journal is Arq Neuropsiquiatr, which should be used in bibliographies, footnotes and bibliographical references and strips.
