

The term “**biographical information**” refers to details about a person's [life](#). This can include:

- **Basic personal data:** name, date of birth, place of birth, nationality. - **Education:** schools attended, degrees earned. - **Career history:** jobs held, accomplishments, professional affiliations. - **Personal life:** family background, relationships, hobbies, values. - **Notable events:** awards, recognitions, major life experiences.

It's often used in contexts like:

- **Biographies and autobiographies** (books or articles about someone's life) - **Job applications and resumes** - **Profiles for websites or publications** - **Medical or legal records**
