

Congress Quarterly

<http://www.cns.org/publications/cnsq>

The Congress Quarterly (cnsq) is the official newsmagazine of the [CNS](#) and is designed to reflect the changing nature of [neurosurgery](#) and foster discussion about the core being of the [neurosurgeon](#), which is that of leadership, strength, innovation and the relentless pursuit to improve the care and quality of life of patients. Each issue explores a new topic critical to the core being of the neurosurgeon—from the liability crisis and regulatory issues to practice management topics and other issues that are reshaping neurosurgery.
