

EBSCO offers library resources to customers in academic, medical, K-12, public library, law, corporate, and government markets. Its products include EBSCONET, a complete e-resource management system, and EBSCOhost, which supplies a fee-based online research service with 375 full-text databases, a collection of 600,000-plus ebooks, subject indexes, point-of-care medical references, and an array of historical digital archives. In 2010, EBSCO introduced its EBSCO Discovery Service (EDS) to institutions, which allows searches of a portfolio of journals and magazines.

EBSCO Industries, the parent company for EBSCO Information Services, was founded in 1944 selling magazine subscriptions. Now, it is one of the largest privately held companies in the United States.
