Exactech Spine is among the fastest-growing global spine companies dedicated to developing innovative spinal and orthobiologics solutions to improve patient outcomes and restore spine health. We are committed to improving the quality of life for individuals by focusing on the treatment of spinal pathologies. We understand the importance of ongoing surgeon education and seek to provide high-quality solutions to the daily challenges faced by clinicians. We operate from a 20+ acre campus in [Gainesville](#), Fla., with eight additional locations around the globe. We provide a comprehensive spinal fusion line to treat the broad spectrum of spinal disorders. Our unique minimally invasive system delivers reproducible results, and we offer intuitive instrumentation for a simplified open approach.
