**Individual** refers to a single person or thing, considered separately from a group.

1. **As a noun**:

- A single human being.
  - Example: "Each individual has the right to express their opinion."*

2. **As an adjective**:

- Relating to or characteristic of a single person or thing.
  - Example: "She received individual attention from the tutor."*

3. **In contrast to collective**:

- "Individual" often emphasizes **personal identity**, **autonomy**, or **responsibility**, especially when contrasted with group or institutional structures.
  - Example: "Unionization strengthens collective power, whereas individual bargaining may lack influence."*
