

International Headache Society

The International [Headache Society](#) (IHS) is the world's leading membership organisation for those with a professional commitment to helping people affected by headache.

As a charity, the purpose of IHS is to advance headache science, education, and management, and promote headache awareness worldwide.

Journal

Society's international journal is Cephalalgia.

International Headache Society Classification

[Posttraumatic headache](#) (PTH) is defined by the [International Headache Society](#) as: “a [headache](#) developing within seven days of the injury or after regaining consciousness”
