

Jacques Morcos

Dr. Jacques Morcos MD is a professor of neurosurgery in the Department of Neurological Surgery and Otolaryngology at the University of [Miami](#) and serves as the director of skull base and endoscopic surgery and cerebrovascular surgery. Dr. Morcos' training began in [London](#) at the National Hospital for Neurology and Neurosurgery at Queen's Square and Maida Vale in London, England.

He completed his residency at the University of [Minnesota](#) and his fellowships at the University of [Florida](#) and the premiere Barrow Neurological Institute. Dr. Morcos's technical expertise are evident in the wide range of surgical procedures that he is able to perform.

He has received numerous awards from the Royal College of Surgeons of Edinburgh, the [American Board of Neurological Surgery](#), and is currently director of the [North American Skull Base Society](#). He has served as an editor for numerous journals including World Neurosurgery and Journal of Neurosurgery and has chaired several international committees on neurological surgery. He has authored over 50 peer-reviewed journals and has given over 200 presentations worldwide.

His research interests include vascular neuroanatomy and microsurgical techniques.
