

Journal of neural transmission

Author(s):

European Society for Clinical Neuropharmacology

Publication Start Year: 1996

Frequency: Monthly

Country of Publication: Austria

Publisher: Wien ; New York : Springer-Verlag, 1996-

Khedr EM, Al Fawal B, Abdelwarith A, Saber M, Rothwell JC. Repetitive transcranial magnetic stimulation for treatment of tardive syndromes: double randomized clinical trial. *J Neural Transm* (Vienna). 2018 Oct 13. doi: 10.1007/s00702-018-1941-x. [Epub ahead of print] PubMed PMID: 30317532.
