

Leeds

<http://www.leedsneurosurgery.com/>

The Neurosurgery department at Leeds is one of the the country's largest and most advanced. Leeds has a large catchment area and patients arrive from all over the country (indeed the world) to have their treatment here.

11 consultant surgeons.

Each of the consultants have their own specialist areas of interest, in addition to being qualified consultants in general neurosurgery.

Events

[Leeds](#) Neuroanatomy Course – Part II

July 4 — July 5

Leeds, UK
