

In 1929, [Nikolay Nilovich Burdenko](#) and a neurologist V.V. Kramer founded the first neurosurgical clinic in [Moscow](#), which was reorganized to the Institute of Neurosurgery in 1932. The Institute has come a long way through military and peaceful years, overcoming all sorts of obstacles. It has constantly developed, built, and modernized, and now this is the National Medical Research Center of Neurosurgery ¹⁾.
