

“Ongoing” is an adjective that describes something that is currently happening or continuing and has not yet been completed. It indicates that an activity, process, or situation is in progress and has not come to an end. Here are a few examples to illustrate the use of “ongoing”:

Ongoing Project: Refers to a project that is still underway, not yet finished.

Ongoing Discussion: Describes a conversation or dialogue that is still in progress and has not been concluded.

Ongoing Investigation: Indicates that an inquiry or examination is ongoing and has not been finalized.

Ongoing Support: Implies continuous assistance or help that is being provided and has not been terminated.

In general, “ongoing” emphasizes the idea of continuity and the absence of a conclusion at the present time.
