

Organization

An organization is a structured group of people working together to achieve common goals or objectives. It can refer to a business, institution, association, or any other group with a defined structure, roles, and functions. Organizations operate through coordinated efforts and formal systems to manage tasks and resources efficiently.

Key Elements: Structure: Defines roles, responsibilities, and hierarchy.

Purpose: A clear goal or mission (e.g., profit, education, service).

People: Members or employees who perform tasks.
