

Pakistan Journal of Neurological Surgery

<http://www.pakjns.org/>

Pakistan Journal of Neurological Surgery is an open access, peer-reviewed official journal of Pakistan Society of Neurosurgeons, published by the Department of Neurosurgery, PGMI/ Lahore General Hospital, Lahore.

It is an international journal that will consider any original scientific article that expands the field of neurosurgery. This journal covers the field of Neurosurgery, Neurology, Neuro-ophthalmology, Neuro-radiology, Neuropathology, Plastic Surgery and ENT. We will also welcome related articles from other disciplines like Orthopaedic, General Surgery, Eye, Medicine etc. Manuscripts must be original and shown to be both clinically and educationally interesting to an international audience. Our goal is to promote the art and science of neurosurgery by publishing relevant peer-reviewed clinical and basic science information to assist the neurosurgeons in optimizing patient care.
