

Scandinavian Neurotrauma Committee

<http://www.neurotrauma.nu/>

The [Scandinavian Neurotrauma Committee](#) (SNC) was founded in [1998](#) after an initiative from the [Scandinavian Neurosurgical Society](#). The committee is comprised of dedicated neurosurgeons, neurointensivists, and neuroanesthesiologists from [Norway](#), [Sweden](#), [Denmark](#), [Finland](#) and [Iceland](#). The SNC is independent of industry funding and members are supported by their respective institutions.

The first Nordic Neurotrauma Conference was held in [Lund](#), Sweden, November 13-15th 2017.

The SNC has published several guidelines for the management of traumatic brain injury. The book "Management of severe traumatic brain injury" was published in [2012](#).

Guideline

see [Scandinavian Neurotrauma Committee Guideline](#).
