

# Smoker

Someone who smokes [tobacco](#) or [cannabis](#), [cigarette](#) substitutes, or various other [drugs](#).

**Active Smoker** Refers to someone who is currently smoking [tobacco](#) products, such as cigarettes, cigars, or pipes. This includes individuals who smoke regularly or occasionally.

**Former Smoker**

Refers to someone who has quit smoking and no longer uses tobacco products. There is often a time-based criterion to classify someone as a former smoker. For example: Short-term former smoker: Someone who quit within the last 6–12 months. Long-term former smoker: Someone who quit more than a year ago.
