

Transplant

To remove from one place or context and settle or introduce elsewhere.

● The transplant [team](#) cannot participate in end-of-life [care](#) or declaration of [death](#), and should not be in O.R. until after [cardiac death](#) is declared.

To avoid potential [conflicts of interest](#), no member of the transplant team can participate in endof-life care nor the declaration of death ¹⁾

¹⁾
Steinbrook R. [Organ donation](#) after cardiac death. New England Journal of Medicine. 2007; 357:209-213
