

Volker Sonntag

Nacido en Prusia Occidental , pasó sus primeros años de vida en un campo de refugiados de la Alemania Occidental .

Llegó a Estados Unidos en 1957 sin saber inglés

Comienza Medicina en la Universidad de la Escuela Médica de Arizona en 1971.

Ha hecho importantes contribuciones a la comprensión de los trastornos de la columna

Ha editado cinco libros, realizadas más de 800 presentaciones en todo el mundo , y escrito más de 90 capítulos de libros y 300 artículos de revistas.

Es reconocido como uno de los Mejores Doctores en América. En 2002 , el Dr. Sonntag fue nombrado el invitado de honor del Congreso de Cirujanos Neurológicos , el más alto honor que un neurocirujano por sus pares.

Sus colegas y amigos están muy orgullosos de lo que el Dr. Sonntag aporta al grupo . Según el Dr. Spetzler , presidente del BNA , “Siempre da lo mejor a sus pacientes , a sus residentes , becarios y su familia. No hay ni una sola fibra falsa en su cuerpo. ”

Cuando no está en el trabajo, el Dr. Sonntag se puede encontrar con su familia o ir de excursión al Gran Cañón.

A él le gustaría ser recordado “ como alguien que intenta encontrar el equilibrio perfecto, con pasión por el trabajo (especialmente la investigación y el programa de residencia) , la pasión por la familia y la pasión por la vida .
